

Low Income Home Energy Assistance

The Low Income Home Energy Assistance Program (LIHEAP), provides financial assistance to low-income households in meeting the cost of home heating and cooling to Osceola County residents.

There are three categories of LIHEAP assistance:

Home Energy Assistance...

helps eligible households in meeting the cost of home energy. An emergency or crisis is not eligible for this category of assistance. If you have received home energy assistance in the last 12 months, you are not eligible.

Crisis Assistance...

helps eligible households in immediate danger of losing access to needed home energy.

Weather Related Assistance...

is utilized upon declaration or order by the Department of Economic Opportunity, Governor or President that a crisis or emergency exists due to weather related conditions.
